

**ANY TIME WE COME TOGETHER (A World Anthem)**

Intro: In a world that seems to be falling apart because we're so far apart,  
we've got to come together and find a better way.

Verse: Living in this world of color and three-dimensional imagery, it's hard to  
think about my brother or my sister, I'm trained to think that it's all about me.

Ad-lib: With survival of the fittest and all of that.

Yet, when I wonder why I'm living and what it is I've come to do, I feel the  
yearning of a higher calling deep down in my soul, and these words come  
ringing through, people let me tell you now:

Chorus: Any time we come together and get our egos out of the way,  
that's the time our souls will treasure, that's the time we'll be swept away.

Ad-lib: From this false reality we bought into.

Verse 2: There's a place up in the mountain where we can learn a better way. We'll drink the  
waters of a higher fountain that will wash all our worries away. You can get there  
through your spirit and you can dwell there everyday. Now here's the message won't  
you hear it? Loving one another is the way.

Chorus: Cause any time we come together and get our egos out of the way,  
that's the time our souls will treasure, that's the time we'll be swept away.

Bridge: You see, we're always feeling the need to complete, by laying a snare at each others  
feet, we're always worrying about the bottom line, just ease into this groove and I'm  
sure that you'll find.

Adlib: A united house is a spiritual stronghold.

Chorus: Any time we come together, get our egos out of the way,  
that's the time our soul's will treasure, that's the time we'll be swept away.

Verse 3: Now what in the world can we possibly need that we'd kill one another for? Why  
can't we see that in order to be free we've got to knock on heaven's door? Just look  
inside yourself. And I want to know when the killing will end on our streets and across  
the sea. Please understand, with just a little help from our fellow man, we'll learn to  
live in harmony.

Spoken: If the conditions in the world are gonna get any better, we've got to come together;  
stop fighting one another, reeking havoc and war, prepare our minds for a new way  
so that our spirit can soar.

Chorus: Cause that's the time, our soul's will treasure, that's the time we'll be swept away.

Ad-lib: When we learn to honor the spirit

BG: That's the time we'll be swept away

Ad-lib: Then we'll hear the voice of a higher calling

BG: That's the time we'll be swept away

Ad-lib: Then we'll realize who we truly are

BG: That's the time we'll be swept away

Ad-lib: And we'll study war no more

BG: That's the time we'll be swept away

Ad-lib: Our humanity will surge and we'll dwell at the top of the mountain

BG: That's the time we'll be swept away

Ad-lib: Then we'll come to know who we truly are

BG: That's the time we'll be swept away

Ad-lib: Then we'll come to know who God is

BG: That's the time we'll be swept away

Ad-lib: Ummm yea, we'll be swept away.

Ad-lib: Ummm yea, we'll be swept away

Ad-lib: Ummm hummm yea yea swept away
