Verse 1: Every now and then, trouble gets in my way.

But I don't let it stop me when my sky begins to get a little gray.

I know that down inside me there's a light that shines so bright.

When I refocus my attention, I see a new dimension,

and I know that everything's alright.

Chorus: Yes it is, cause it's a G-O-D-T-H-A-N-G God Thang;

and it's an L-O-V-E-Y-O-U ME, Love Thang.

Said it's something that I sometimes just can't explain,

except to say that it's a G-O-D - God Thang!

Verse 2: I learned not to worry when things don't go my way;

whether it's a change of plans or a temporary delay.

All things work together for the goodness of my soul.

I'm working on a master plan and in time it will unfold.

I'm already whole!

Chorus: It's a G-O-D-T-H-A-N-G God Thang;

and it's an L-O-V-E-Y-O-U ME, Love Thang.

Said it's something that I sometimes just can't explain,

except to say that it's a G-O-D - God Thang!

Bridge: You see I finally see the light!

I had a vision, I saw a new dimension,

I was wearing blinders, couldn't see what I was missing...

Oh I'm not to judge your wrong or right!

The gift you're givin' the life you're livin',

if your motivation is out or inner driven

As I release, my soul takes flight

and I can finally see it's not all about me.

Rap: See, it's a non-denominational, open invitational express the God that you feel thang;  
it's a new spiritual paradigm, here to blow your carnal mind, you can't deny that it's the  
real thang. So, if you're stuck in an old groove, wanna get your soul to move, I'm here  
to tell you about a new thang. The Geometry of Divinity, flowing through infinity ya'll  
ain't nothing but a God Thang!

If the world is gonna be a better place, it all depends on the human race;  
the future rests on the things we hold inside. A heart darkened with fear  
and hate can never truly intimidate enlightened hearts that cast all fear aside.

Verse: I give God the glory in whatever form he may take.  
I'm moving in the flow of love, doing good for goodness sake!  
Ascending to heaven, by discovering the depths of my soul.  
Creating a better way, acknowledging the truth of the whole...it's all right!

Chorus: Can't you see that it's a G-O-D-T-H-A-N-G God Thang;  
and it's an L-O-V-E-Y-O-U ME, Love Thang.  
Said it's something that I sometimes just can't explain,  
except to say that it's a G-O-D - God Thang!

Repeat Chorus

Rap: The Geometry of Divinity- the G-O-D,  
is flowing through infinity as you and me, it's a love thang.

Ad-libs: Said it's something that I sometimes just can't explain, but it's a G-O-D, God thang!
